Presented by science celebrity **DAVE MAIULLO**, a longtime Physics Support Specialist with the Rutgers University Dept. of Physics & Astronomy. Equal parts teacher, technician and performer, it's Dave's job to help convey the excitement of physics everywhere he goes. He was a host on the National Geographic Channel series *Humanly Impossible* and was recently featured on the Science Channel series, *Dark Matters*. He is also co-author of the book *A Demo a Day: A Year of Physics Demonstrations*. Dave's outreach activities were recognized with a Distinguished Service Citation in 2009 from the American Association of Physics Teachers.
