

**Ridgewood
Public Library**

Free Drop-in Computer Lab

No registration or fee required!

Would you like some extra help practicing your computer skills?

Join us for a one hour session to continue developing your computer skills and receive assistance from our trained high school volunteers. This is not a structured class, but a lab where you can explore & practice with the help of our volunteers.

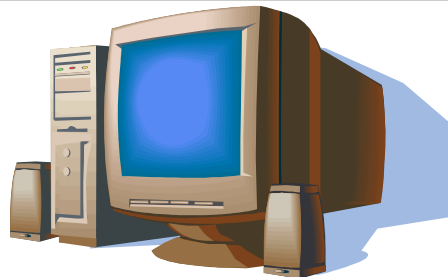

*** No laptops, please.**

The lab is for practice on Library PC's only.

Examples of some topics you will be helped with include:

- ◆ Basic computer & web skills
- ◆ File management
- ◆ Search engines
- ◆ Searching the library catalog & databases
- ◆ Setting up a web-based email account
- ◆ Assistance with your existing email account
- ◆ Microsoft Word, Excel, PowerPoint & Publisher
- ◆ Digital camera skills

Saturdays @ 10am - 11am.

Questions? Please visit the Reference Desk or call (201) 670-5600 ext 130.
